

# Choose how we use your personal information

We and our partners store and/or access information on your device to process personal data. You may accept or manage your choices by clicking below or withdraw your consent at any time in your app settings or clicking on floating privacy icon. The choices you make regarding the purposes and entities listed are stored in a cookie named `_swb_consent_` and `_swb` for a maximum duration of 13 months. Your service-specific consent choices will be propagated to named vendors linked below who will store and/or access information from your device and process your personal data. Third party vendors may process data on the basis of legitimate interest; you may object to such processing by clicking on the vendors page linked below. We use cookies and other technologies to store and access personal data on your device (such as IP addresses and unique identifiers).

Some of our processing purposes include: Store and/or access information on a device. Create a personalised ads profile. Select basic ads. Select personalised ads. Measure ad performance. Apply market research to generate audience insights. Develop and improve products. Precise geolocation data, and identification through device scanning. Personalised ads and content, ad and content measurement, audience insights and product development.

Please read our [Privacy Policy](#) to learn about our privacy practices.
